

# Chapter 1

Ahhh hhhhhh! I screamed as the ride took a deep dive. For those of you that have not been on this ride, it is called Space Mountain. It is a spaced-themed in-door

(next page)

roller coaster. It's in

Chapter 1

Tomorrowland Tokyo Disneyland.

If it hadn't been for

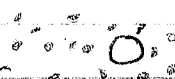

our dad we would have to

wait 10 minutes thank goodness

he got us fast passes. Next

Chapter 2

We walked through a

futuristic  space station

as we boarded the "flight"

vehical. It  ascended slowly

through a  star field as

Chapter 1

  
the Rocket Ship powered up and  
plunged through infinite  
**darkness** swirling. It speeded  
up faster and faster with

<sup>tap tap</sup>  
Sound effects and

<sup>mmmmmm</sup>  
Music that goes with the  
ride that makes it seem

Chapter 1

real  Space Experience.  
experience
